Celebrating 75 Years of Old Fashioned Quality

Mel-O-Cream® Donuts International, Inc.

.....since 1932

We are pleased to introduce the latest addition to our line of quality Prefried Cake Donuts.

For years your customers have enjoyed the homemade goodness of our Sour Cream Old Fashioned Cake Donuts. In celebration of our 75th Anniversary, we are expanding our Old Fashioned Cake Donut line to include 2 new flavors.

Our new Chocolate Old Fashioned will tempt the chocolate lover's taste buds with its smooth, dark chocolate aroma and taste. You can enhance the rich chocolate flavor by finishing with your choice of glaze, icing or powdered sugar.

The new Buttermilk Old Fashioned carries a traditional, rich buttermilk flavor and aroma that is sure to stir the senses. Reminding your customers of the homemade buttermilk goodies from their Grandmother's kitchen will keep them coming back for more. Serve them plain, glazed or iced and you'll be offering your customers fresh, retail quality donuts.
